By Legouri Ó hAmhlaoibh

Athníonn ciaróg.

A: Its a sinking ship. Do something or go else go down with it.

B: I thought they knew...but destruction is just what they do.

A: No looking back now, a chara, drink the bitter water.

B: Yeah, youre correct. A leopard doesnt lose its spots.

A: Foresight is better than hindsight.

B: That ship has sailed.

A: Aye, boatman three, and now its about to sink.

A: Theyre everywhere. Vilifications and worse than Churchills Blacks & Tans.

B: Yeah the Apartheid Crew meets the Original Penal Colonies, without their white hoods. Manscaped. Making sure everyone wears a suit.

A: Windsor knot neckties, Gavin McInnes, manscaping, Proud Boys, grooming gangs, Vice Magazine.

B: Yeah and reality telly, lifestyles of the rich and famous, friends of Jeff Epstein and no one else.

A: How is it any different than Plantation Slavery Days or Feudal Europe#

B: Do you think those are separate happenings#

A: I mean...Arent they#

B: Christopher Columbus worked on a contract with Inquisition Feudalist Slave Trader Feudalist Spain. Same with Henry Hudson for Dutch Monarchy. Same with Walter Raleigh and Captain Cook and Cecil Rhodes. Merchant Adventurers. Venture Capitalism. Adventurer Capitalism.Pirate Booty.

A: Youre saying Feudal Europe is te same thing as Plantation Slavery# I aint never heard of that.

B: It was a Venture, by the same overlords, aye. Ask Sean Perpdaddy Combs if it stil is the same thing. Big Pimping is slave trading and renting, which WEB DuBois explained, along with harems, stables of b-words, was part of the plantation south and their loyalist british empire orange cousins, tourism business.

The Arab world ran slavery before Columbus. Attila the hun, Barbarry Pirates, Ghengis Khan, Alexander the Great, Ancient Rome, ran it before them. You wouldnt believe the open sexual deviations and rapacity in ancient Rome, St. Paul was right.

A: But that was so long ago.

B: What happened to the fertile crescent# In the middle east...

A You mean why is the Fertile Crescent a desert now#

B: Baghdad was a slaver city in the Golden Age of Islam, with the Vikings delivering Irish slaves to them. Where are the cedars of Lebanon now# Where are the famous temperate oak rainforests of Ireland#

A: What happened to wild animals#

B: Cities are just large castles. Same principles run them both.

A: Will they ever stop consuming everything and everybody#

B: The wild animals say no. They call it monetisation and mindshare. The wild animals.

A: Grim. Serious times.

B: You already know.

A: This is my corner

B: Yeah, I am not slinging. I am protesting.

A: Protest somewhere else.

B: How about over there#

A: That my corner too.

B: Understood.

A: Everybody hates you-Catholics.

A: Mam, Its in every song now from the record labels.

B: Youre saying its all Pimp-father Pee Diddler messages and rapacity#

A: Yeah mam. Its the new normal. Get with the program.

B: Well its not Normal for you, young lady. Not for you it isnt. I dont want to ever hear you call yourself the B word again, young lady. Nor anyone else. It means a slave.

A: Oh Mam, but cool is in and no one is cooler than Pimp-Fathers.

B: Says who# No devices for a month, and then we will have a talk.

A: A month# But mam what about my daily selfie#

B: Fine give me the phone. No more technology. No backtalk. Go learn Tai Chi or something positive.

A: Theres no way to protect those cables and satellites without wiping out all the tree huggers.

B: Those wimps are well neutralised. They think getting arrested will save the whales.

A: We are gonna run a tight ship and remove all opposition so us Proud Baps can have our peace undisturbed by whingers.

B: Yes, Alpha Male Centurion. It will be as you say!

A: Youre damn right it is. The man who is toughest in a brawl makes the most capable general. Everyone agrees.

B: No doubt. No doubt.

A: This is gonna be the greatest world war. We already grabbed everything and we kill off the soldiers next to stop all the rabblerousing and whinging.

B: We will keep the pimps.

A: We always keep the pimps.

A: Alpha Male!

B: Yessir.

A: You ready for glory and greatness#

B: Yessir. No gammas in my squadron. Up the rebellion.

A: Those penguins will be extinct.

B: All of my gang has the same bad intentions.

A: Good Alpha Male!

B: We are the best evolution will ever offer.

A: Hush about evolution. We put a stop on that one. We are Jesus Freaks now.

B: Well it was fun pulling out all the stops for a while, going hogwild.

A: Buckwild, makem hit the high notes. We alphas all think for ourselves after all.

B: Amen, bro.

A: Amen, bro.

A: Hey Bro.

B: Bro, hey.

A: Stand back and stand by.

B: Hell yeah.

A: We are the best.

B: Was there ever any doubt#

A: Just the Treehugger Problem.

B: Artificial Intelligence will put them out of a job soon, all the brainiacs.

A: Just us meatheads left. We will have it our way. Praise Jesus.

B: The whole world as unwoke as the Americans who Genocided the Philipines.

A: The whole world as separate as Johannesburg when it was really ours.

B: Ha! For now, then the drones and robots and Artificial Intelligence will put Them... all out of work. Yeah, and we wont even need Their...DJs anymore to make us look cool. We will have Artificial Intelligence DJs.

A: I love being a winner. Winner takes all.

B: Winners never quit.

A: It looks like they are counting on the intenet to run everything and Artificial Intelligence.

B: What do those depend on.

A: Fuel, Electricitiy, fibre optic cables, satellites, towers, wires, servers.

B: Looks like we wont be needing those any more, nor thinking machines.

A: Hilarious joke.

B: God didnt Create video games.

A: God created Wonder Boy in Monster Land.

B: And there was light.

A:The satellites.

B: It wouldnt be enough, they would just go nuclear.

A: Perfect, at least no one will win. I cant stand letting the Meatheads win again.

B: What about luxury areas#

A: Who needs them#

B: Seems a better idea than hurting poor people.

A: You can probably look for all the wealthy get-a-ways thru luxury travel and finanial source and adverts.

B: They already hold every corner.

A: Give the bosses nowhere to run. They have big fancy properties with their names all over them.

A: Jesus loves you.

B; You were never into Jesus, you a gangsta.

A: We are goint Legit.

B: And the difference is you say Jesus a lot#

A: Yeah up the J count. Holy rollers not High Rollers, well still high rollers.

B: But you aint even sorry...

A: Protestants dont have to be sorry. No confession, no penance.

B: Sound.

A: Yeah we aint the first gangstas went legit. Its called getting more civilised.

B: Get your hands dirty for the bosses, get rewarded.

A: You already know, Praise Jesus.

A: No variation in their Nationalism plan in any place.

B: One giant Belfast Apartheid Los Angeles Police State. Irish Catholics are not White in Belfast. Only White Anglo Saxon Protestants are white in Belfast.

A: Wait for the Robocops.

B: Even cops out of jobs. All the jobs, except programming things to take cop jobs away.

A: The cruisers will drive themselves first. There goes one third of the cop jobs.

B: There wonte be no jobs, all the bosses keep saying.

A: Except pimps and hoes.

B: True dat. They always keep them Original Gangsta Pimps.

A: Its like A Handmaids Tale.

B: Magdalene Ireland# Definitely. Canada no different for First Nations.

A: The Future. Days of Future Past.

B: Give them an inch they take a yard. Give them a yard they take a mile.

A: Could we stop it#

B: If there was a we. But everyone is so divided. It is necessary to stop it, but also impossible to stop it.

A: Theres no easy way out, theres no shortcut...

B: In Krsnaloka there are millions of wishing trees.

A: Christ was going to bring back Eden some day...

B: Fishful the oceans. Fruitfilled the trees.

A: Fishers of Repentant People.

B: Kill or be killed. Do or die.

A: On earth asit is in Heaven.

A: All you religious people do is fight wars.

B: Joseph Stalin, Enver Hoxha, and Mao Zedong were not religious. Just as atheist as you. More than 100 million dead by those three alone. Same team of atheists.

A: Yes, but I was trying to sound superior.

B: Good luck with that.

A: Your God called for destruction.

B: Money is destruction. The first derivative. All you pimpFathers think it I just a lifestyle choice, a private matter. It is a taboo. Yeah that will be war. Mohamit had a three year old and nine year old in his harem. God wont tolerate that. It will be war to save the planet from evil doers like Mohamit and people who move dirty bishops and priests around.

A:You are not falling prey to my carefull constructed negation of all you hold dear.

B: Yeah, I have my own beliefs and assumptions that have nothing to do with your atheist colonysplaining. Creator is sending Creators best warriors for Extinction War.

A: We made everything better. Technology is superior to Nature. We are are own Gods! Praise Jesus.

B: Do you think we thought of everything, you know, Jesus, would want us to consider.

A: Dont gamma out on me now, Bro! Jesus says ask and ye shall receive.

B: I am never giving up on my machines. Thats for sure. Nor my guns.

A: We will show them all how great we are.

B: Winners for life.

A: The Irish are White European.

B: Which Irish do you mean# Because I am Irish and my cousins are in every colour. Same last name as me.

A: Irish is white.

B: Sullivan is also Black, Native American. Dunn is Black and Aboriginal Blackfella.

A: Irish is white.

B: So Sullivan and Dunn are no longr Irish if they are not white#

A: As you said those are all different Nationalities. Not Irish.

B: So if a Sullivan is born in a faraway prison colony, that Sullivan is no longer Irish#

A: Get with the program, thick Irishman.

B: So, now I am thick Irish, hibernophobic Yazi# I have to be on your white team against Ó Sullivan Mór of Many Colours#

A: Hush now, Wren Boy.

A: I know everything.

B: Yessir, you are the Captain of this Squadron of Alphas. Might makes right.

A: These Irish wont shut up. Are they not getting the message#

B: Thick Irish, sir. They never take a hint.

A: They know we will just starve them again.

B: They think they are Bobby Sands al together.

A: Well go on and get your supper Bobby Sands.

B: If theyd rather starve than take a hint...

A: The righteous judgment of Allah. They will never accept Alpha Male and Pimp-father dominion.

B: Gamma, Losers, Incel.

A: We will show them who is boss.

A: Dude, dont harsh my vibe, man.

B: You cant play the victim and deny victimhood to the real victims at the same time.

A: I will protect what is mine.

B: Exaclty why they settled you Devonshire men in New South Wales.

A: I am Australian not English.

B: 70,000 years the Australians remember, In the Dreamtime. When did English Captain Cook Arrive#

A: 1788. You need to take your meds. See a doctor.

B: Ok, Yazi.

A: At least Athesits are ethical.

B: Mao Zedong killed more than most, was that not Real Atheism#

A: Bruh! You know what I mean.

B: You mean you are right and everyone else is an eejit#

A: Bruh! I never said that, you should apologise, Bruh.

B: So I have to dumb down my intellect to go along with your indefensible claims#

A:: Everyones opinion is as good as anyone elses, brugh.

B: Thats your opinion.

A: Exactly, bruh.

B: I dont agree in total relativity of meaning. How can nonsense carry the same weight as truth#

A: Its all in the game, bruh, what is truth#

B: Mao Zedong was a genocidal atheist thereby atheism has no track record of being ethical at all.

A: Whats some Chinese dictator gotta do with me#

B: You said...

A: Forget what I said, Bruh. Youre not even a man. The way you talking, thats just Bitch stuff, bruh. Praise Jesus.

A: You ever see Idiocracy#

B: Yeah.

A: All that dumbing down happened already. Its called European Feudalism and the Dark Ages of Europe.

B: We used to be smarter.

A: How many times a man said "Dont get smart with me" to you.

B: Gotta be hundreds of times.

A: Listen to that Poindexter, that Smartmouth. No one likes a nerd.

B: The Wise-acre.

A: Whats a woman called when she gets smart and talks back.

B: Hysterical, because her uterus or hyster must be inflamed or she would smarten up.

A: Some women just dont get it.

B: Real Sheilas. Warrior women.

A: Whats Great Again.

B: Get with the program. Keep the Cum and Carry on, Grooming victims. The Kings Groomsmen.

A: The Britroyals faking a feud to cover up prince andrew and jeff epstein and Albanian Child trafficking capital Dubai.

B: A John, just like rapey King John. The smoke that allowed the merchants to push the Magna Carta thru. Themselves a mirror of virtue. Bad Cop, good cop.

A: Robocop is next. Already Mao Zedongs British Sympathisers are rolling out Robocops.

B: And Future without Farms. Future without Jobs.

A: Who will even need the Peasants#

B: Overpopulation, not British Petroleum and Saudi Energy, is Killing the planet Turf.

A: Energon Cubes, Bleeding Turf dry like Decepticons do.

B: Human, activity, not expanding energy usage...Blame everybody else. It isnt obvious who won and profitted off the destruction.

A: It isnt called Venture Capital.

B: Adventure Capital.

A: Yeah the real Knight in Shining Armor. Pirate Booty.

B: Probably why the chivalry code says law before ventures.

A: Chivalry is dead, the Old Woman Said.

A: Listen to that Ince.

B: Incel# What in tarnation is an Incel#

A: Oh, you know.

B: That aint never been one of our words before, Abdul.

A: Of course it has.

B: Nuh, I would know, I got a podcast about word origins.

A: Incel, you know, Incel.

B: I really dont. Could you spell it out for me, Abdul#

A: You know, the men who get raped and wives stolen in Muslim clandestine war. Mohamit stole wives from Incel who did not deserve those women. The Incel are intimidated into submission to the Followers of Allah. The host population for our parasitic apparatus on the Incel.

B: Oh you mean like b-words in Rap language.

A: Of course, the Crips are part of our Taliban Loyal Bro Lodge. Incel, yes, western bitches, but also any incel, you know...

B: So incel is not a first class human in Islam#

A: Haha, Good Joke.

B: What is the Joke, Abdul#

A: Incel a first class human# Who would think such a thing...

B: And your God Allah promises Virgins to rape in heaven#

A: Only for the very righteous. Mohamit had a three year old Rebecca and 9 year old Virgin too. Is very sacred and Holy to have Allah bring such blessings to The Prophet. How much greater will Allahs blessings be in Heaven#

B: So Incel are servants.

A: Hah, we are all servants of Allah, one way or another.

A: You know what is Theocracy#

B: Sure like the Vatican#

A: Yes, all Islamic world is theocracy. The rest is a stage to normalise and take over the West with shariah common law.

B: Is that why really normal statements, ten years ago are now shadowbanned on social media#

A: Yes, normal has changed because Europe is conquered. We hold you hostage with energy. There is no other capital than energy. It is all derivative of energy the capital. Name anything mighty that doesnt take our energy to function.

B: Yeah the grooming gangs are supposed to make the nation submit, correct#

A: You are understanding. It will get worse until you surrender.

B: Like a neighbourhood shakedown.

A: Yes, vehicle deaths, stabbings, arson. We own the government and you are not complying with their orders, ask Leo Varadkar.

B: And you own all the resources already# Rremoved all our pig ahead of time, economically#

A: Yes, we are so suspicious ourselves, we thought it would all be obvous as it was to freemasons in the slavery era.

B: Yeah the thick Irish must have missed that.

A: Well we are like the Borg in Star Trek. You shall be assimilated. And energy Holdings Bunny, we keep going.

B: Really appreciate the clarifications. I think we understand each other now.

A: Yeah, it came down to energy use or planet Turf as the Lakota Prophets said.

B: Wow, so, Grampa, you just shut it all down#

A: You know, all they had was communication and energy based. Satellite missiles, transoceanic cables, shipments and deliveries of energy.

B: And they just fell apart without the phone towers#

A: Listen, Grandson, theres no way to explain what kind of monsters they were. Monsters who required us to think they were Industrial Saviours.

B: I am glad none survived, Grampa.

A: There was no reasoning with their left wing liars nor their right wing bullshitters.

B: Whats Bullshit Grampa#

A: Ní hAnsa, Grandson. Bullshit is having no relation to the truth. A lie perverts the truth. They both obscure the truth, Lies and Bullshit both.

B: A long road with no turning, Gramp.

A: Well said, Buachaillín Feasa. They had no mercy, we decided to fight to save the birds.

A: Thats the Law, it says so.

B: Thats all you got#

A: Thats the rules now.

B: The Catholics disagree. I am not talking about the priests, the Catholics disagree. This isnt what we ever agreed to.

A: Too bad, winner takes all and keeps on taking forever!

B: The well isnt missed until it dries up..

A: Winners never quit.

B: Exactly, it was wrong 1000 years ago and it is still wrong today. It will always be wrong.

A: Woe to the Vanquished!

B: It aint over til its over.

A: Why cant you Thick Irish just get with the program#

B: The Catholics dsgree with all of your chauvinism. St. Joseph hates chauvinists.

A: We know the Catholics. You care about abortion and taxes and thats it.

B: Those are your Catholics. I am talking about the Catholics of Jesus

Christ,.

A: You sound like a preacher man bible basher.

B: Al Masih Qam.

A: Haqan Qam. You know we disagree so much.

B: We will and ever shall disagreee.

A: A long road with no turns.

B: One Holy Catholic and Apostoic Church.

A: It could work.

A: I thought you hadd all the Nationalists Globalised to one Anti Globalist agenda all around the Globe#

B: Turns out different nations have different characters. Then our Lady of Guadalupe gave them a miracle.

A: What do you mean a miracle#

B: Turned out every Nation that loves St. Mary agrees about everything and they just didnt know it. You can see it in the Icons.

A: Some pictures#

B: Yes, Mexico, obviously, Ukreaine, Bulgaria, Russia, Ireland, Ethiopia, Serbia, Greece, Poland, Czechs, Georgians, Sicilians, Syrians, Coptics, Armenians, Haitians, the list goes on Korean, Chinese...

A: I dont get it.

B: They were all instigated by our perceived racism, sexism and normalising of Pimp-fathers child slavery and rapacity.

A: Cmon, let the boys be boys.

B: They all agreed that chauvinism is not ok in St. Josephs family.

A: Thats just stupid.

B: Just telling you what happened.

A: So e faked a war in Ukraine that united everyone already at war with our allies the Arabs#

B: Yeah, they all talked to each other and compared notes. Rome wasnt the Romans, so the First Rome of Constantine united the catholics and Orthodox catholics around the world against us.

A: That cannot be such a big deal.

B: Do you believe in Maths, sir# None of us knew how many years the ones before had worked to divide the Church.

A: You think that could be a threat# Get serious...

A: Christ is in our midst.

B: He is and ever shall be.

A: If your priests and bishops and cardinals cause these little ones to sin, cut them out and cast them into the fire.

B: I come not to bring peace but a sword.

A: Why did all the people picking a side in Palestine forget about Bethlehem.

B: Christ is born.

A: Glorify him.

B: How did the Magi know what the locals did not#

A: A prophet has no honour in his own country.

B: Christ is Risen.

A: Truly he is risen.

B: Why did we argue about so many of the same formulas for things we couldnt understand anyway#

A: Let them that have eyes see, let them who have ears, hear.
As many as have been baptised into Christ, have put on Christ.

B: They really divided us.

A: One holy catholic and apostolic church. We lost sight of what Christ said about fulfilling the law of Moshi.

B: Honour the Father and the Mother.

A: Protestants ignore Mary and Joseph.

B: Protestants dont do repentance or penance.

A: No wonder why they show no remorse.

B: Our fellas are just as guilty.

A: Infiltrators, people who care about way truth and life can be easy marks, easy like sunday morning.

B: Gospody Pemulyuw.

A: They showed no mercy they will be shown no mercy.

B: Who are we to judge#

A: The judgment was given by Christ himself. We are the body of Christ. Look what was done in his name.

B: That just isnt right.

A: We better do better.

B: When you aint got nothing, you got nothing to lose.

A: When something is about to fall, give it a shove.

B: Well, when someone like that starts praising Jesus with his rapist lips...

A: Sure sounds like the Antichrist.

B: Blessed are the bankers, for they shall inherit the earth.

A: Blessed are the mighty, for they shall keep crucifying Christ over and over again.

B: St. Stephen the Protomartyr knows what we are on about.

A: Just like St. Sonya Massey the New Martyr.

B: We shall have to rebuke them.

A: Proportional response would be wiser.

B: I bind myself today to the precious and Lifegiving trinity.

A: Críost liom. Críost leat.

B: Definitely, we will turn all the rivers green on St. Paddys Day.

A: Shamrock confirms.

B: Well shamrock, one in essence and undivided, guide and protect us.

A: Only if we protect the little ones.

B: Give to Caesar the war Caesar deserves.

A: Give to God what is Gods.
